

Charter Associate Service Request

Charter Associate Information	
Date of Request: _____	Service Term/Commitment: 36 months
Charter Associate	Type of organization: _____
	Location: _____
	Scope of services: _____ _____
	Geographic area served by the Applicant: _____ _____
Please select application (s) or advanced service for which the organization will use IRON. [This could include, e.g., Commodity Internet Services, National Lambda Rail or Transit Rail access, Internet2 access, Abilene access, SEGP Access, or Layer2VPN connectivity between institutions.]	
Type of connection requested: <input type="checkbox"/> Fast Ethernet (10 Mbps – 100 Mbps) <input type="checkbox"/> Gigabit Ethernet <input type="checkbox"/> 10 Gigabit Ethernet	
[insert organization's name] _____ hereby requests connectivity, services and aggregate bandwidth of _____ Mbps on the Idaho Regional Optical Network (IRON) for: Commodity ISP, NLR, Internet2, Transit Rail traffic.	
We agree to pay a monthly bandwidth usage fee based on actual bandwidth used at standard IRON rates. Usage fees are due within thirty days of receipt of the monthly invoice for the previous month. We agree to ensure that our institution abides by IRON's Acceptable Use Policy (attached to this application).	
This Service Request, including its attachments, constitutes the entire understanding between IRON and [insert organization's name] _____ with respect to your use of IRON, and supersedes any prior understandings and agreements, written or oral, between you and us regarding this subject matter. No representation or other statement, written or oral, will be binding on you or IRON unless it is set forth in this Application.	
TERMS of Participation: <i>IRON Associates will not use IRON's services in a manner that 1) jeopardizes the proper technical operation of the IRON network or infrastructure; 2) Violates the Acceptable Use Policy (attached to this Application) or Conditions of Use of an upstream IRON network provide as reported by that provider; 3) jeopardizes the resources of other IRON Associates as reported by those Associates; 4) jeopardizes IRON's reputation or the reputation of any of IRON's Associates, or the ability of either entity to conduct business in the manner to which it is accustomed. Any instance of the preceding shall be defined as a "Prohibited Activity." In the event of a Prohibited Activity, IRON will make reasonable best efforts to contact the Associate's designated representatives. In addition, following a reasonable evaluation period, IRON may take any appropriate corrective action — including the suspension of the offending or threatening connection, which IRON deems is warranted. IRON's Associates acknowledge IRON as the sole arbiter with respect to the foregoing; 5) further subject to the Terms of Participation as may be hereafter adopted by IRON.</i>
